

DANDARA, Otilia. ADAM, Iulia. The influence of empathy as an integral part of the social competences on successful social integration. In: *Journal of Community Positive Practice*. 2009, nr. 3-4, pp. 93-98.

The presentation of the results of social project evaluation is an area which reflects methodological aspects specific to the analysed field. The necessity to replicate and multiply the good practices identified within the implemented activities proposes a collection of analysed projects with the purpose to promote the initiatives regarding the control of exclusion from the basic services in the disfavoured communities, particularly in the Roma communities.
